**Allotment Made Saturday  
Is Reduction of Recom-  
mendations Made by the  
Committee**

**MARKERS APPROVED**

**Disposition of Funds Not  
Finally Settled Upon—  
Display Cases Sought  
First**

\$25,000 was approved Saturday by the Centennial Commission of Control for improvements on the Panhandle-Plains Historical Society Museum. \$50,000 was originally requested for this work. The Historical Advisory Board recommended \$30,000, but this amount was reduced \$5,000 in the final action.

Just how this money may be used was not indicated by the Commission. The original request was for additional display equipment for the present museum. It may be necessary to use a greater part of the money in building an addition to the present structure. It is expected that definite instructions will be received as to the spending of the money within the coming week.

In addition to the museum money, requests were granted for a number of markers for historical spots on the Plains. It is likely that the handling of these markers will be charged to the directors of the Historical Society who have offered their services in erecting these markers. Five of these markers were requested for historic spots in the Palo Duro State Park. These markers will likely conform to the marker of the Goodnight Trail which is to be erected at the beginning of this highway in the east part of Canyon.

All of the work is to be completed before the opening of the Texas Centennial in Dallas next June.

Horace M. Russell of Amarillo and Dr. J. A. Hill and Professor L. P. Sheffy of Canyon represented the Society at Austin when the allotment was made.

Dr. Hill said that they received help from many citizens of Northwest Texas who were in Austin at the same time, and named among these Judge Ray Johnson and Attorney Charles Keffer and Mel Davis ofampa.

W. H. Patrick of Clarendon, president of the Panhandle-Plains Historical Society, and its board of directors will meet at the earliest possible time to determine just how the available money can best be spent for the good of the museum.

## 1323 Books Added to Library During the Present Year

Mrs. Elizabeth Fry Page has contributed seven books to the Randall County Library, and other friends sent in nine books Monday. The books donated by Mrs. Page were autographed by the authors.

There are now 3198 books in the library. 1323 books have been added since the first of January, according to reports which are being compiled by the library committee to present to the city commission and the commissioners court. Many of these books were donations from interested citizens.

The library is being managed by representatives of the Woman's Book Club, the Junior Woman's Club, together with a representative of the city and the county. Reports are being made to these organizations at their next meetings in order that plans may be made for 1936.

The library has proven a very popular movement with the citizens of the county. It was originally started by a donation of 900 books from the Woman's Book Club. This number was doubled by contributions from various citizens during the first year it was operated as a public library.

The city and county agreed to assist with the library this year, and it has been expanded during this period. Plans will be made during the coming month for 1936 as the present committee makes its report to the bodies which have contributed to its support.

Mr. and Mrs. G. A. Pike of Borger visited this week at the home of his brother, W. D. Pike.

## Blast of Winter Hits Plains, With Shower Falling

The first blast of winter hit Canyon yesterday. 36 degrees above zero is the coldest registered here. The thermometer stood at this point yesterday morning, and was standing at 36 degrees at 9 o'clock this morning.

Snow threatened yesterday, but little moisture fell.

Rain started falling early this morning, and continues thru-out the morning hours with a favorable east wind. Wheat farmers trust that this is the beginning of the promised wet period.

## Stafford Hall Is Received Monday From Contractor

**Two Regents Are Highly  
Pleased With Building—  
Furniture Bids Will  
Be Received**

Stafford Hall was received Monday by the Board of Regents from the contractor, J. B. Maxey. Senator R. A. Stuart of Fort Worth and Dr. J. G. Ulmer of Tyler were here to accept the building for the board.

"It is one of the best dormitories for men that I have ever inspected," stated Dr. Ulmer.

Senator Stuart was high in his praise of the building. Just when the building will be ready to receive students has not been decided, states Dr. J. A. Hill. Furniture must be bought, and PWA has instructed that bids shall be advertised for two weeks on the furniture account.

The legislature passed an appropriation for \$16,600 for the purpose of carrying the utilities to the building and this work has yet to be done. Sidewalks are not completed around the dormitory.

Stafford Hall is the first PWA project to be completed on the campus, four others have been approved. Work on the addition to Cousins Hall was started Monday of this week as the second PWA project.

## Applications For Wheat Contracts Are Being Taken

Applications for new wheat allotment contracts are being made up in the County Agent's office this week. November 15 has been set as a dead line for signing the applications. A sign up day for each community in Randall county will be held early in November.

In order to have applications made up ready to sign, it will be necessary to have the farm map and legal description of land turned into the office not later than Nov. 2. A work sheet for this purpose may be secured at the office or by mail.

About 80% of the wheat land in the county has been turned in for contracts. Every wheat grower is urged to make application for contract, even though he does not intend to sign a contract when it is offered. This will serve to keep the records straight on each farm and to protect the interests of the operator or owner with reference to any future program.

Announcement will be made within the next few days as to the date when these applications will be ready for signing.

## New Inspector Under Milk Ordinance Here Taking Up Duties

O. T. Ratcliff of Amarillo was here Tuesday taking over the duties of Lewis Dodson as milk inspector. He is doing this work for Canyon in connection with his position in Amarillo.

Mr. Dodson has accepted a position as district supervisor of twenty counties with the Texas State Health Department. He feels a personal interest in the continuation of the work in Canyon since he started this work under the milk ordinance.

R. A. Bellah left Tuesday for Oklahoma City, where he will join his daughter, Mrs. Frank Giles of Hereford. They will visit relatives before returning to their homes.

## Randall Herefords Win At Royal

First Places at Kansas  
City Royal Livestock  
Show**

**IN FEEDER CLASS**

**Fred Marshall and Grady  
Oldham Ship Four Car  
Loads to Big Show in  
Kansas City**

Hereford calves entered by Fred Marshall and Grady Oldham in the feeder class won two first places in the American Royal Livestock show at Kansas City.

Twenty-two entries were shown, the Randall county calves winning against the choice from the southwest.

Four car loads were shipped by Marshall and Oldham to the show, two cars were too heavy for two classes in which entries were hoped to be made. Winning first in both classes entered is an unusual accomplishment in so great a show as the Royal where the finest stock is assembled.

Fred Marshall accompanied the cattle to the show and showed them in the ring.

The Herefords were taken from the leading herds of the Plains and were taken from the range to enter the show.

## Tax Discount Is Killed by Supreme Court in Verdict

The Supreme Court of Texas declared unconstitutional the bill passed in the regular session of the legislature which allowed a discount for early payment of taxes.

The bill as allowed would have allowed a 3% discount for state and county taxes paid in October, 2% if payment was made in November, and 1% for December payments.

The Attorney General had ruled that the legislature was without power to offer such reductions under the constitutional provision that taxes must be uniform and equal. The Comptroller ordered tax collectors to refuse to accept taxes at the discount.

Such a discount cannot be allowed unless the voters favor a constitutional amendment authorizing such a discount.

**MEN OF M. E. CHURCH  
TO MEET THIS EVENING**

The Men's Club of the Methodist Church will meet this evening at 7 p. m. in the social hall at the church for its semi-monthly meeting. All men of the church are urged to attend and join in the work of this group.

## High Praise Is Given for Recipes in News Cook Book

"The recipes in the Canyon News Cook Book are very practical, and all I have tried are good," stated a well known Canyon woman yesterday. She was buying another book to send to a friend in another state.

Many women who did not receive one of the books before, have been buying them for their own use, and others are buying them for gifts.

The available supply of books will not last much longer, judging from the way they have been bought this fall. They will make ideal Christmas presents.

## Corn-Hog Vote Is Being Taken In The County

**Election Will Come to an  
End Saturday Night—  
All Farmers May Cast  
Ballots**

The referendum vote on the corn-hog program will close Saturday in Randall county. Every eligible corn-hog producer in the county is entitled to vote. Henry F. Miller, president of the County Corn-Hog Control Association, is conducting the election through members of his committee.

The question submitted on the ballot is: Are you in favor of a corn-hog adjustment program to follow the 1935 program which expires on Nov. 30, 1935?

Those who have not voted with the four district committees up to Saturday may cast their ballots at the court house from 8:00 o'clock a. m. to 9:00 p. m.

**ALBERT E. TERRY, JR.  
IN RECITAL SUNDAY**

Little Albert E. Terry, Jr. appeared in a musical recital at Amarillo Sunday afternoon presented by the Amarillo Music Guild. The recital was held at the Methodist Church.

Albert E. is a pupil of Robert Axtell and gave several numbers of singing cowboy songs to his own guitar accompaniment. He is the seven year old son of Mr. and Mrs. Albert E. Terry of this city.

## Hugh Johnson To Discuss National Issues Nov. 2nd

**Former NRA Chief To  
Point Out Failings of  
Both Major Parties in  
Talk Here**

People will listen to Gen. Hugh S. Johnson who is to be speaker at the West Texas State Teachers College on Nov. 2, which is the annual Homecoming occasion.

When the Saturday Evening Post made a nation-wide appeal for readers through full page advertising in the best-known dailies, they chose General Hugh S. Johnson as their best feature. The article "Think Fast, Captain," had its title blazoned across every advertising page.

According to Johnson, who will speak at Canyon on the NRA, President Franklin D. Roosevelt has been victimized and his New Deal plan has been frustrated in every direction.

Johnson believes in the New Deal, he says, and he is fond of listing the obstacles to recovery in the United States and in showing how the New Deal, if left as Roosevelt planned it, would have overcome these. Johnson says that business and labor are both convinced of the soundness of the principles of NRA and wants them back again, but he says that it was never given a chance to work for in his own picturesque words, "Its foundation was kicked out from under it."

People who hear Johnson at Canyon Nov. 2, need expect no eulogies of the Democratic Party nor does he admire the Republican Party. He says there are not (Continued on last page)

## Canyon Golfers Win Sunday From Tulia Players, Score 14-6

The Canyon golf team added another win for the season's play in defeating the team from Tulia Sunday afternoon on the home grounds. The score was 14 to 6.

Canyon players who won were: Reeves, Lockhart, Craig, Scott, Smith, Savage, Murray, Key, Gano, Price, Sanders, Mickle, Campbell and Neff. Those losing to Tulia were: Don Savage, Joe Duflot, Leo Duflot, Brown, Britain and Frank Harrison.

The Wolfen club will play Canyon on the local course next Sunday afternoon at 1:30 o'clock.

## WPA Officials in Explanation Delay About No Work

WPA projects in Randall county may get under way next week. And again, they may not. Clyde Warwick, chairman of the Randall County Planning Board, received a letter Monday from the Amarillo district office of WPA, which incorporated a letter from the San Antonio state office, which explained that the Washington office was clearing the projects as rapidly as possible.

Outside of this explanation, everything is clear about WPA excepting the reason why work has not started on Randall county projects.

Widening of Fourth Avenue was approved two weeks ago. It is understood that the projects on W. T. campus have been approved in Washington, but so far no definite word has been received here.

"The mind of man is unable to conceive of this madhouse of red tape and endless, drudging running in circles," writes a friend in Washington who is connected with WPA.

## Carnival Will Be Staged Monday at Public Schools

**P. T. A. Will Present a  
Large Number Inter-  
esting Features in Pro-  
gram**

Carnival Queens, style shows, houses of horror and various kinds of carnival foods will take the bright lights at the Canyon Public Schools next Monday night, October 29, when the P. T. A. will hold its carnival.

At 7:30 o'clock the affair will begin with a program in the high school auditorium, given by the first three grades of the grammar school. An admission of 5c will be charged those attending.

Then the crowd will transfer to the midway in the Grade School building where the different clubs and classes of the school will predominate with booths and side-shows. Don't forget your nickels, for that will be the admission to each booth.

To climax the whole affair the clubs of the town will give a stunt program in the high school auditorium, and following will be the "crowning" event of the evening when the chosen candidate will be presented in great state as Queen of the Carnival. There will be six stunts given by the following organizations: The Rotary Club, The T-Anchor Farm Boys, The Ex-Eagles, The Woman's Book Club, The Junior Woman's Club, and The Legion Auxiliary. Five and 10 cents will be charged those attending.

The P. T. A. invites the public to attend. There will be no entrance fee to the carnival.

## Those Reaching 21 Must Secure Poll Tax Exemptions

Those young people who become 21 years of age since the first of January, 1935, are not forced to pay a poll tax this year, but in order to vote in the 1936 elections, they must secure an exemption before the 31st of January, 1936.

This is necessary under the terms of a law passed in the regular session of the legislature and applies to smaller counties. The change in the law does not affect those over 60 years of age, who are exempt from poll tax payments, but are not forced to secure an exemption certificate.

The exemption certificates are free and may be secured at the office of R. N. Barnett, tax collector.

**DR. MILLER ATTENDS  
WICHITA FALLS CLINIC**

Dr. M. S. Miller attended the clinic of Osteopathic Physicians and Surgeons held at Wichita Falls Saturday and Sunday, Oct. 19-20. Many famous out of state doctors as well as those from Mineral Wells and Dallas appeared on the two days' program.

Mrs. Miller and babies accompanied the Doctor and visited relatives at Wichita Falls. They returned to Canyon Monday.

## TWO COMPANIES WILL REMAIN AT THE PALO DURO

**Definite Orders Received  
To Keep Men Here Un-  
til July First of Next  
Year**

**MONEY AVAILABLE**

**New Officers Placed In  
Command of Companies  
—Bryan Pleased at the  
Outlook**

Orders have been received at the Palo Duro State Park assuring that work will continue until July 1936. Two companies will remain during this period.

Until these orders came, there was much uncertainty as to the future of the Park, especially as to the number of companies which would remain at the Palo Duro.

Captain William W. Spurlock, sub-district commander, has assumed command of Company 2876 until Nov. 1st.

Captain Chas. M. Krasse has taken command of Company 2875. Both of the new commanding officers have been in CCC work for several months. Captain Spurlock is continued as sub-district commander in addition to being company commander. In order to get better acquainted with the business men of Canyon, Captain Spurlock is planning a program at the recreation hall during the coming week to which he will invite business men and their wives. He hopes to entertain a large number at that time.

The CCC camp at Hereford was demobilized last week, with the men being distributed among the soil erosion camps of the Plains. Captain Adair will be transferred to Company 2876 at that time. Part of the trucks and other equipment of the Hereford camp is being brought to Palo Duro. The Park at Hereford is not completed, and final disposition awaits the orders of D. E. Colp, chairman of the Texas State Parks Board. Chief Engineer R. O. Whiteaker was here Tuesday and discussed the problem (Continued on last page)

## AAA Discussed by Upchurch at Rot- ary Meet Tuesday

County Agent W. H. Upchurch discussed the farm program Tuesday at the Rotary Club luncheon. He was introduced by Clarence Thompson, chairman of the Rural Urban committee.

The first 100 years of this nation saw expansion, with farmers opening up new lands in the westward procession. Industry also grew and world trade multiplied. Industry was protected by the tariff while the general world prices controlled agricultural prices, pointed out Mr. Upchurch.

Boom days following the war caused farmers to plow up 40,000,000 acres of grass land. Land prices rose and mortgage debts more than doubled from 1910 to 1920. Cars and tractors replaced the horse, and by 1933, 50,000,000 acres under cultivation was not needed for crops to meet the market demand at home and abroad. Decline of birth rate, restricted immigration, and loss of the foreign market all worked against the interest of the farmer. Foreign nations who owed us money stopped buying, and raised tariff barriers.

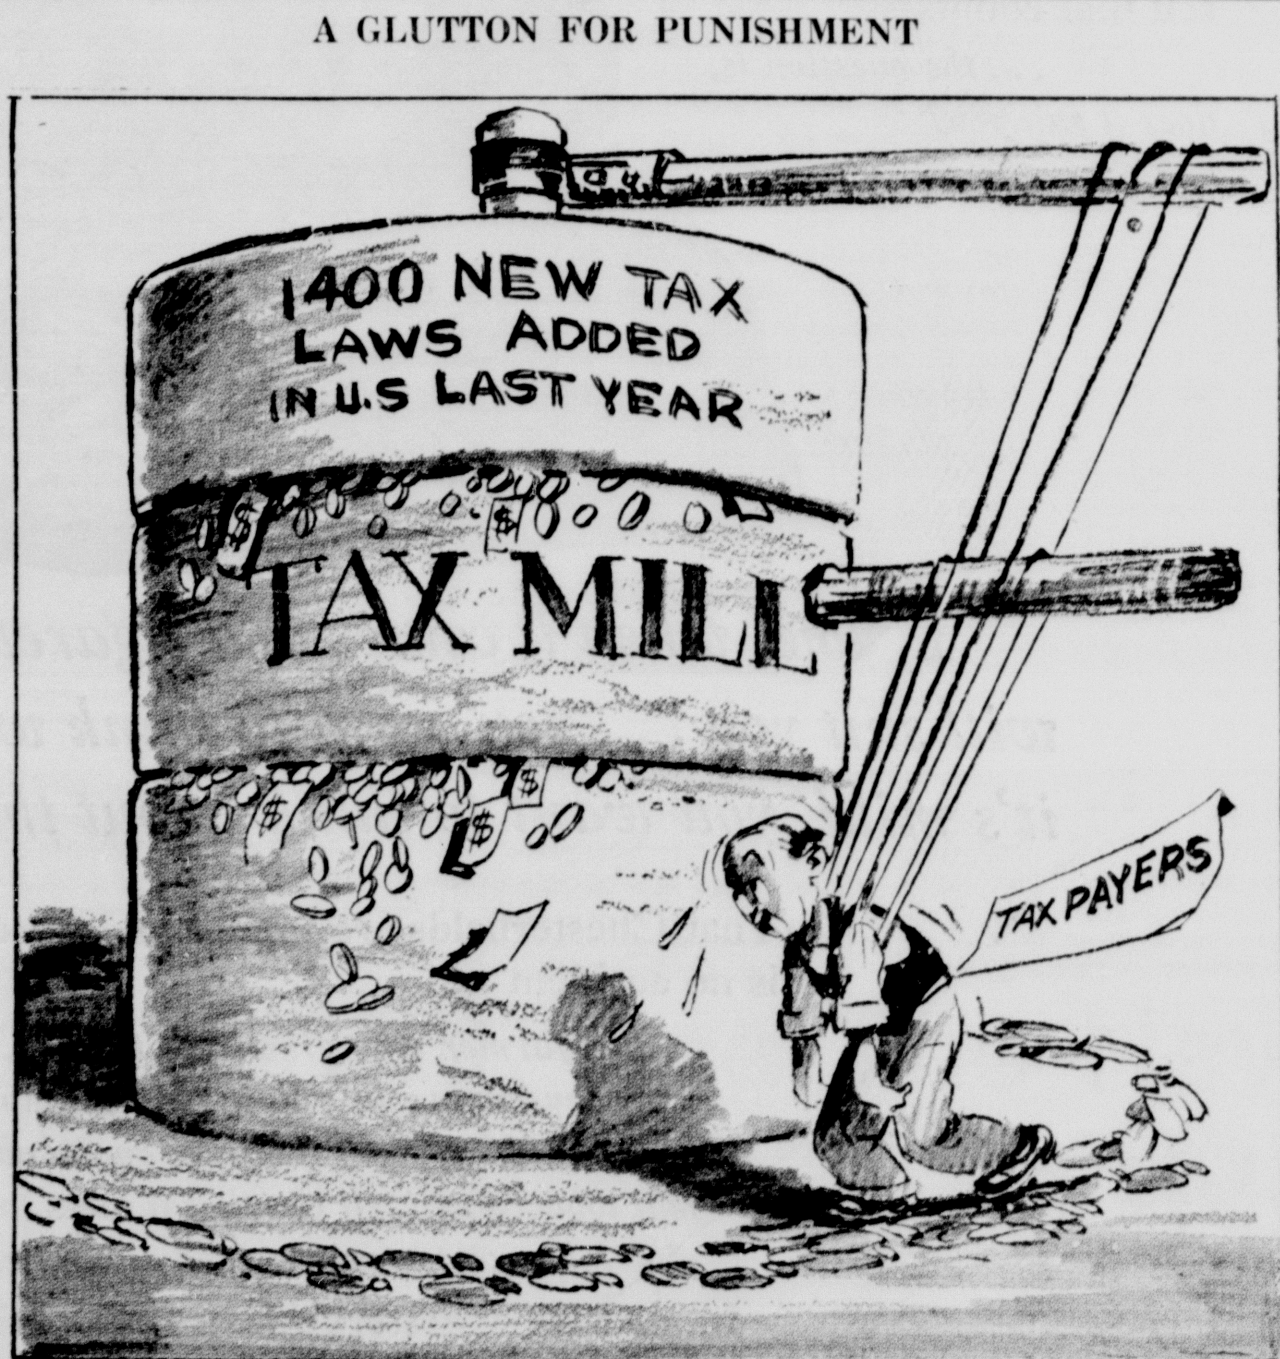

From 1930 to 1933 one farmer in 13 lost his farm by foreclosure. Farm debts increased from 3 1-3 billion in 1910 to 9 1-4 billion in 1930. Cash income from the farms (Continued on last page)

Politicians are closely studying the prohibition question in this nation. President Roosevelt and the Democratic party has definitely taken a stand against prohibition. The Republicans have always maintained a half way attitude, skillfully sidestepping the issue. Repeal of prohibition was hailed by the wet chieftains as a sure shot cure for all our ills—depression, bootlegging, and all. It has not worked out that way. More people have been killed by drunken drivers since prohibition was repealed than ever before. Hospitals are filled daily with injured car operators and pedestrians. The record is very much against the promises of the wets. It is said that Herbert Hoover and his followers are carefully studying the prohibition question with a view of making it a question in the national campaign. There are many people who voted for repeal upon the promises of the wets. Now that they find these promises empty, sentiment is rapidly centering in favor of prohibition. Maybe it may not crystallize by 1936, but nevertheless there are thousands of people waiting for a capable leader to direct those opposed to liquor.

The East wishes to continue eating 25 cent wheat, but at the same time expects to see an increase in manufacturing and increased wages for their laborers. The East has not learned that smoke cannot roll from the factory chimneys unless the farmers are getting a fair price for wheat, corn, cattle, hogs and cotton, in order that the producers may make money with which to put the output of the factories. It's a fifty-fifty proposition. The Republicans will tell the East the Democrats are responsible for the increased cost of living in the East; will tell the farmers of the West that the present administration is bankrupting the nation by its spending program; but will fail to tell both the East and the West that had it not been for the energetic program of the President in attempting to bring about recovery that this nation would be in a much worse condition. Financial institutions in the East are sending out well veiled criticisms of President Roosevelt and his program, and what may result. They are shutting their eyes to the results which have so far benefitted all classes in the nation.

Announcement was made this week that the two CCC camps would remain at the Palo Duro until July 1st, 1936. This is good news to the people of the Plains. It means the end of uncertainty as to the future of the Palo Duro Park. Directors of the National Park Service announced several weeks ago that the future of the Palo Duro was uncertain after next March unless the land title was cleared up. No one blames them for wishing this done, but

no one has been able to solve the knotty problem of raising the money for this purpose. Up until this week, it was expected momentarily that one company would be ordered moved. With the order to reduce the number of CCC camps, construction was stopped on new units, and the lesser important camps were demobilized. Work will continue full force at the Palo Duro. This means that something like a half million dollars will be spent locally for materials and supplies to carry on the work at the Park. By next July a more definite policy may be expected for the Palo Duro.

Pat Neff, former Governor of Texas, and now president of Baylor University, publicly dismissed three girls from Baylor last week. Last year he publicly dismissed a number of students. Mr. Neff does not believe in beating around the bush. When he fires a student from Baylor's campus, he wants it to be known that they stay fired. Of course the independent spirit which exists today would impell youth to do as they please because they felt that way, regardless of prevailing customs. Mr. Neff has found that the brakes must be put on to curb this spirit when it steps beyond the pale of reason. Of course, the dismissed students will have much cause for regret, and wonder whether or not the price of so-called liberty is not rather high. Few executives would be so open as Mr. Neff in handling cases of discipline. To be dismissed from any college carries with it certain disgrace, but to be publicly dismissed before the student body will brand the unfortunate student until he will carry the scars the rest of his life.

Word from Austin indicates that legislators are peeved at Governor Allred for his criticism of the first called session, and peeved at the press for the razing the law-makers have received for the wasted session. The News predicted at the beginning of the session that the legislature faced the hardest session in many years, and would be fortunate if it passed successfully upon the measures confronting it. However, we made a poor guess two weeks ago in stating that in the final hours the Governor's program would probably be enacted. We were too hopeful. But the observation of the News that the people were to blame by throwing the ever vexing prohibition question back in the laps of the legislature still holds good. More than half of all proposed laws which are introduced will be fought around the liquor question due to the strong lines, pro and anti, which are drawn when this question is before the law makers.

This week marks the 6th anniversary of the depression. It is the longest depression in the history of the world simply because it is the worst, and most widespread of any of the depressions. That recovery is on its way thru-out the world, authorities do not deny. How long it will take for a resumption of so-called normalcy is still problematical. Three years ago Herbert Hoover announced in his campaign for re-election that the depression had passed. Since he was defeated, he may lay the blame on Mr. Roosevelt for having thrown the nation into a tailspin. No one is going to fight about being the cause of the depression, but there is genuine concern among the 120 million people in this nation as to when it may be definitely announced that the end of the depression is in sight.

Word from Washington from the wisecracks indicate that AAA will likely be upheld by the Supreme Court. Whether this is a guess is merely a wish on the part of the prophets remains to be seen. After NRA was disapproved, Congress took steps to improve AAA and amendments were passed which seeks to make the processing taxes constitutional. The Supreme Court is composed of very human men who attempt to use every precaution to favor legislation which will serve the masses of the people. Without doubt they will find AAA an essential thing for the farmers of the nation, and it is probably for this reason that

## As Swiss Divide Their Cheese

Dividing the cheese is an ancient custom of the inhabitants of the Justic valley above the Lake of Thun, Bernese Oberland, Switzerland. All through the year dairymen deliver milk to a central point, where it is made into cheese. A careful record is kept of the amount of milk delivered by each person, and each fall all the dairymen gather, as shown above, to collect their share of cheese.

observers predict that it will be upheld by the courts.

The site selected for the new postoffice is approved by a large majority of the people of Canyon. If the government will now build the type of building in keeping with the public buildings of the town, the new postoffice will be a real asset to the county. Indications are that the offices of the County Agent and Home Demonstrator will be housed in the new postoffice building. If these offices are built into the new building, more room will be required than would be necessary for the average town the size of Canyon. Citizens are greatly interested in hearing from the government architect as to when construction will be started.

Eleven more persons are to die in Dallas by car accidents during the remaining weeks of 1935, announces the Dallas News, as it figures percentages. If it were known that 11 people were to be burned to death, or killed by train accidents, or jump off the high buildings, the people would be highly incensed about it. But since they are to be killed by careless and fast driving, the public takes it for granted that it is a necessary toll.

## N. M. M. I. Defeats Buffalo Net-men

In a close, hard-fought match, the W. T. S. C. Racquetters of Coach W. E. Lockhart dropped their opening meet of the fall season to the N. M. M. I. net-team by the count of 4-3 at Roswell, N. M. Saturday.

Each team won two singles matches and one doubles match, but in event of such a tie, the doubles match is counted as two points and the Institute won this match.

In the number 1 singles match,

Ripley displayed his back-court strategy to defeat Cadet Guy in straight sets, 6-3, 9-7. Curry followed by upsetting Cadet Lacy 6-1, 3-6, 10-8 in the hardest match of the day. Smalley wilted before the southpaw slashes of Cadet Scannell, and dropped in successive sets of 6-1, 6-3. In the number 4 match, Howard opened by winning a 6-3 set, but suffered de-

feat in the last two sets 6-4, 6-2. In the key match of the meet, Cadets Guy-Lacy experienced little difficulty in downing the combination of Smalley-Curry, 6-2, 6-4. Riley-Howard found much trouble in checking the southpaw combination of Cadets Scannell-Braniff, but finally emerged victorious 9-7, 6-4.

The tennis team will make their

next appearance at Goodwell on Nov. 9, when they cross racquets with Panhandle A. & M.

## Beware The Cough That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Wild Cherry and Menthol, but also has fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results. Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and

heal the irritated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble. Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. (Adv.)

Now, when it comes to a cigarette that will suit you . . . you want to think whether it's mild, you want to think about the taste

That Chesterfields are milder and taste better is no accident . . .

The farmer who grows the tobacco, the warehouseman who sells it at auction to the highest bidder, every man who knows about leaf tobacco will tell you that it takes mild, ripe tobaccos to make a good cigarette.

In making Chesterfields we use mild ripe home-grown and Turkish tobaccos.

## Wayside Items

Farmers are making use of the dry open weather we are enjoying. Much good feed has been harvested. Still lots of wheat to be sown. No frost to be noticed, some cool mornings. We are expecting cooler weather at any time.

Rev. Arthur Coleman of Kansas City gave us two excellent sermons Sunday noon and at night. He is cordially welcomed at Wayside and numbers his friends by his acquaintances hereabouts.

Miss Aline McGehee and roommate of Happy, spent the weekend with home folks, returning Sunday morning.

Jack, youngest son of W. C. McGehee and wife, unfortunately fell into the tank one day last week. Luckily his uncle, Rev. Arthur Coleman, saw him fall and rescued him in time to save his life. The accident has changed his ideas about playing in the water.

Irving Lane and his sister, Mrs. George Hancock and Jerry Lane, also Miss Elva Gillham, all of Pampa, visited Wayside relatives the past week end.

Mr. and Mrs. George Burlond of Wayside are quite indisposed. She has physicians' orders to lie in bed three weeks.

Mrs. L. J. McGehee of Canyon attended services with us Sunday. W. C. McGehee, wife and sons, Dickie and Jack, also Rev. Coleman and wife, called to visit with Mr. and Mrs. Ben May and daughter at Vigo Sunday afternoon. Not finding them at home they left a note. Mr. and Mrs. May were among the visitors who attended church Sunday night, saying "they must see Brother Coleman."

Born to Mr. and Mrs. Billie Washburn, Oct. 11, a fine son, Roderic Rogers. Mother and son doing well. Mrs. Tom Knox is attending her.

J. E. McGehee and wife are driving a new Buick car.

Miss Sybil Fisher, well and favorably known around Wayside, and Mr. L. Willis of Briscoe, were married in California some two weeks ago. Relatives are expecting them to call on their return to Texas.

## THE NEW FORD V-8 FOR 1936

Why do we say The New Ford V-8 for 1936?

What is new about it?

Of course, the newest engine in the low-price car field is still the V-8 engine. Since Ford made it available to all car users (keeping it as economical as cars with fewer cylinders) the Ford V-8 has been the newest engine on the market, and remains the newest for 1936.

You may buy a car on minor "talking points"—some specially advertised feature "with the car thrown in"—but, after all, it is the engine you buy when you buy a car. Hence we put the engine first.

Other new points about the car make a long list.

Its lines are much more beautiful. The hood is longer and sweeps forward over the distinctive new radiator grille, giving the car a length and grace that are instantly impressive. The fenders are larger, with a wide flare. Horns are concealed behind circular grilles beneath the headlamps. New steel wheels.

Ford upholstery—always of sterling quality and excellent taste—is rich and enduring. The appointments of the car have a new touch of refinement. There

is no question about the increased beauty of the Ford V-8 for 1936.

In more practical matters, many improvements have been made—

Steering is made easier by a new steering gear ratio. The cooling system circulates 5½ gallons of water through a new, larger radiator. Natural thermosyphon action is assisted by two centrifugal water pumps. New style hood louvers permit a rapid air-flow around the engine.

Easier, quieter shifting of Ford gears

—The gear shift lever now travels a shorter distance.

The two qualities you want in brakes—Brakes that stop the car with ease and certainty. Ford Super-Safety Brakes of the long-tested, fool-proof, mechanical design.

Safety—as always—in the electrically welded genuine steel body. Safety Glass all around at no extra cost. Hundreds have written grateful letters because this glass has protected the safety of their families.

A car you can drive without strain all day, if you like, in city or country. Steady, holds the road, responds to the

driver's touch like a well-trained horse. You don't have to "push" or "fight" the Ford V-8—driver and car easily get on terms of good understanding with each other.

An engine has much to do with the roominess of a car. Very much indeed. A long engine uses up car space. The compact V-8 engine permits much of the ordinary engine space to be used by passengers.

It really is a great car in every way, this 1936 Ford V-8—the finest, safest, most dependable Ford car ever built. Now on display by Ford dealers.

### DINNER-BRIDGE FOR CLUB THURSDAY

Mr. and Mrs. J. W. Kleinschmidt acted as host and hostess Thursday evening to members and guests of the Friday Afternoon Club when the group met at their home for the usual monthly covered dish dinner and bridge.

Roses and dahlias were used to center the small tables and for room decorations.

All members were present including Mr. and Mrs. M. S. Bishir, Mr. and Mrs. W. C. Black, Mr. and Mrs. Irby Carruth, Mr. and Mrs. Guy Harp, Mr. and Mrs. T. H. Knighton, Dr. and Mrs. R. A. Neblett, Mr. and Mrs. Dan Sanders, Mr. and Mrs. W. L. Smith, Mr. and Mrs. Travis Shaw, Mr. and Mrs. Clarence Thompson, Mr. and Mrs. Clyde Warwick, Mrs. Millard Word, and Mr. and Mrs. Vivian Knighton as special guests.

### JOWELL H. D. CLUB MEETS WEDNESDAY

"In making fudge mix ingredients well, stir until sugar is dissolved, and continue cooking without stirring," said Miss Dozier to members of the Jowell Home Demonstration club. The club met at the home of Mrs. Earl J. Davis on Wednesday, Oct. 6, for an all-day meeting. Miss Dozier demonstrated the making of several kinds of candy. At noon a covered dish luncheon was served to ten members and four visitors. Those present were: Miss Dozier, Mrs. Ervin Doss, Mrs. T. B. Cox, Mrs. Curtis Robertson, Mrs. N. W. Livezey, Mrs. T. J. Bonds, Mrs. Carl Smith, Mrs. C. W. Fowell, Mrs. Louis Henders, Mrs. Louder, Mrs. Owen Scott, Miss Mildred Scott, and Mrs. Earl Davis.

The next meeting will be at the home of Mrs. Curtis Robertson on Nov. 6. New officers will be elected at that time.

### Y. W. C. A. WILL GIVE HOMECOMING BREAKFAST

The members of the Y. W. C. A. will entertain their ex-members with a Homecoming breakfast, to be held at the Blue Goose Cafe, No. 2. The present members are to act as hostesses.

It has been planned that this will be an "I remember when" breakfast, as each ex-student present is to be introduced and asked to tell of any interesting or amusing incidents happening when she was in school here.

Letters from former members who are unable to be present will be read.

Miss Rosa Cash and Miss June Day are in charge of the program. All those who wish to attend are requested to make reservations as soon as possible. The price per plate will be 25 cents.

### MRS. CLYDE WARWICK HAS 1936 CLUB

A beautifully appointed Club party last week was that given by Mrs. Clyde Warwick to members of the 1936 Club Friday afternoon at her home 1110 Sixth Avenue.

A quiet unusual and pleasing effect was gained by the use of nasturtiums and roses in the flower arrangements.

A salad course was served at the conclusion of bridge.

Special guests were Mrs. Louis J. Bryan, Mrs. N. E. McIntire, Mrs. W. A. Warren, Mrs. L. P. Sheffy, and Mrs. Joe Gamble of Amarillo. Members present were Mrs. C. R. Burrow, Mrs. Wallace R. Clark, Mrs. R. P. Jarrett, Mrs. L. Angel, Mrs. D. A. Shirley, Mrs. R. A. Terrill, Mrs. J. S. Humphreys, Mrs. F. E. Savage, and Mrs. J. L. Dufflog.

### ORPA DENNIS AND ALLIE DOZIER ENTERTAIN MONDAY

Monday evening Miss Allie Dozier and Miss Orpa Dennis were hostesses to a group of friends at the home of Miss Mary E. Hudspeth.

The Halloween motif was carried out by the use of seasonal taffies and score pads. Mrs. James Cole received high score prize with Miss Winnie Davis getting consolation.

A dessert course with coffee and mints was served to Misses Helen Hickman, Tennessee Malone, Winnie Davis, Agnes Moore, Fannie Malone, Edna Graham, Mary Sitt, Ann Smith, Olive Schramm and Ima Barlow. Mrs. J. D. Barker, Mrs. L. P. Sheffy, Mrs. C. M. Presley, Mrs. Donald Trolinger, Mrs. Lee Foster, and Mrs. Cole.

### HIGHLAND H. C. CLUB MEETING TUESDAY

The Highland Home Demonstration club met last Tuesday afternoon at the home of Mrs. Tom Boling.

Miss Dozier gave a candy demonstration and fondant candy was made. Gelatin caramel and taffy candies were discussed. A wooden spoon is the best kind of spoon to use and have a steady, medium fire for cooking the candy, were some of the suggestions given.

After the candy demonstration, officers for the coming year were elected, and plans for Achievement Day were discussed.

Cake and coffee were served to Miss Dozier, Erma Jarnagin, and Mesdames W. Grabbe, Ben Moore, guests, and Mesdames Mitchell, Bedenk, Sharp, Sweet, Carter, Pearl Nesselroed, Ben Nesselroed, Rogers, Puqua, Anderson, McDade, and the hostess, members.

Mrs. Millard Word and children spent the week-end at the parental C. T. Word home in Amarillo.

### HOME DEMONSTRATION CLUB ACTIVITIES

22,235 quarts of canned foods valued for \$4,730.40 have been added to the pantries of 126 Home Demonstration Club women during the last canning season. \$2,072.89 worth of dried or cured products, cheese and lard have been added. \$803.37 were saved by 76 Home Demonstration Club women during the last six months. They have made 1448 garments valued at \$1,891.36.

"The fact that peanuts enrich the soil for tomatoes, was proven to me this year," said Mrs. L. P. Spiser, co-operator in Farm Food Supply, of the Garrison Home Demonstration Club, "as I produced more and better flavored tomatoes than ever before on soil where peanuts grew last year."

After having given a demonstration on home-made candies by the County Home Demonstration Agent, the Jowell Home Demonstration Club made a net profit of \$4.60 in one day selling candy. The proceeds went to help pay for a sealer that the club has purchased.

### NEGRO ENTERTAINERS GIVE PROGRAM HERE

The Bright Star Quartet and a soloist and tap dancer from the Negro CCC camp furnished entertainment to an appreciative audience Saturday afternoon, when they appeared before the Demonstration School assembly for a half hour program.

In addition to D. Davis, manager of the quartet, the following men took part on the program: D. Williams, Lee Williams, F. Wagner, E. Cross, and Theodore Mathis, the soloist and tap dancer.

The varied program presented included "Oh, Mary, Don't You Weep," "Golden Stairs," "Stay As Sweet as You are," "Solo with dancing," "When Jesus Comes Again," "You Scandalized My Name," "It's June in January," (solo).

The entertainers were accompanied by Captain Spurlock, who made a short talk preceding the program.

Captain Spurlock stated that there are four hundred and thirty negroes from all over the state enrolled at the Palo Duro Camp, and that the daily recreation hour is finding many of them gifted with good voices and the ability to sing and dance.

The program was in charge of Sam Burton, chairman of the student assembly committee.

### PARTY AT BARNETT HOME THURSDAY

Mrs. R. N. Barnett delightfully entertained at her home Thursday afternoon with a Halloween-bridge.

The four tables laid for bridge carried out the halloween motif by the use of score pads and taffies.

A salad course was served to Mrs. J. D. Barker, Mrs. Earl Robbins, Mrs. R. A. Neblett, Mrs. Clyde Warwick, Mrs. George Nance, Mrs. Lee-Foster, Mrs. Robert W. Foster, Mrs. N. E. McIntire, Mrs. Harris M. Cook, Mrs. W. C. Black, Mrs. Ray Campbell, Mrs. T. B. McCarter, Mrs. M. E. Cantrell, Mrs. Dan Sanders, Mrs. G. A. Farlow, and Mrs. Berl E. Mayfield.

### REBEKAH LODGE ENDS MEMBERSHIP CONTEST

The new membership drive held by the Canyon Rebekah Lodge during the month of October was brought to a close Tuesday night with Mrs. Teresa Patterson's side losing in the contest. The losers will entertain the Lodge group at the next meeting and all members are urged to be present.

Mrs. Lucy Brown was elected to the office of Noble Grand to fill out the unexpired term of Miss Floy Rowe.

### MRS. CHAS. FLESHER HOSTESS THURSDAY

Members of the 1925 Bridge Club with Mrs. Chas. Flesher acting as hostess honored Mrs. Mark Foster, who has moved from Canyon, with a surprise handkerchief shower Thursday afternoon.

Tea, cookies, nuts and mints were served the honoree, members and guests after the beautiful assortment of hankies were seen.

### PICNIC FOR TRIANGLE CLASS THIS EVENING

Members of the girls Triangle Class of the Presbyterian Church will be entertained with a picnic at 5:30 this evening at the home of their teacher, Mrs. W. L. Smith.

### BIRTHDAY PARTY FOR BONNE RHEA WHITTENBURG

Bonne Rhea Whittenburg was surprised Wednesday evening with a birthday dinner, when her sister, Mrs. Harvey Ratcliff, entertained in her honor.

Those present were June and Carmel Lee Guinn, Ruth Campbell, Lela Louder, and Helen, and Bonne Rhea Whittenburg.

Help Keep Canyon Clean!

### NEW OFFICERS NAMED BY ZITA H. D. CLUB

Ball, Mrs. Guy Harp, Mrs. Glenn Costley, Mrs. Harry Wood, Mrs. Dewey Foster, Mrs. Ray Campbell, Mrs. Ross Craig, Miss Nora McCarty, and Mrs. J. D. Barker.

### MRS. NORVAL DICKERSON HAS BLUEBONNETS

With Mrs. Virgil Briscoe acting as assistant hostess, Mrs. Norval Dickerson entertained the Bluebonnet Needle Club last Friday.

Hand work was the chosen diversion for the afternoon. At the business meeting the club voted to remember the birthdays of its members.

Pumpkin pie with whipped cream, salted nuts and coffee were served to Mrs. Charlie Steen, Mrs. Fred Mye, Mrs. George Small, Mrs. I. M. Steen, Mrs. Guy Cole, Mrs. W. E. Miller, Mrs. Aubrey Fox, Mrs. Levi Cole, Mrs. Tom Brasher, Mrs. W. H. Upchurch, Mrs. Jay Prichard, and Mrs. J. L. Hefner.

### MISS GRAHAM SPEAKS AT VESPER SERVICE

The vesper service of Cousins Hall was held Tuesday evening, with Miss Edna Graham as speaker. Following musical selections by Miss Freda Charles Bills, Miss Graham told of the different religions encountered by the group with whom she made her world tour.

Miss Graham described the pagodas of India, the methods of approaching these buildings, and the ceremonies one goes through to enter. Animal worship, and the sanctity with which these animals are regarded was stressed in the talk. Miss Graham closed by saying, "Every day I was in India, I was glad that I did not live in such a country."

### PRESBYTERIAN CHURCH

Sunday School at 9:45. Morning worship at 11, subject: "Between the lines." Y. P. C. E. at 6:30; Junior Choir at 6:30. Evening service, 7:30. Subject: "Good Taste."

#### Ex-Band Members Are Invited To Play In Band

Ex-students and visitors will find Nov. 2, Homecoming, a day filled with events of interest to all.

The Y. W. C. A. breakfast at the Blue Goose cafe will be held from 8:30 to 9 o'clock.

At 9 o'clock coffee will be served in Miss Pauline Brigham's studio honoring Ex-student Pi Omegas.

A massed concert under the direction of C. E. Strain will be held at 10 o'clock. Several of the high school bands of the Panhandle have already accepted the invitation to participate in the Homecoming event.

Following the massed band concert, Gen. Hugh Johnson, former NRA chief, will deliver the principal address of the day. General Johnson, en route to the west coast, was secured for the lecture by Wallace R. Clark, chairman of the lyceum committee.

Johnson's lecture here will be the only one he will give in this section of the country.

The noon day feature is a barbecue with John Snider preparing the beef. The barbecue will be held north of Burton Gymnasium. At 2:30 the Buffaloes will meet St. Benedict's Ravens of Atchison, Kans., on Buffalo Field.

Pioneer Hall, the Panhandle-Plains Historical Society museum, will be open from 9 till 6 o'clock, except during the football game.

The final event of the day will be an Ex-student dance sponsored by Pi Omegas and Eligible Bachelors starting at 8:30 o'clock in Burton Gymnasium.

#### Mrs. Page Resigns Position of Student Counselor Here

Mrs. Elizabeth Fry Page, who has been Episcopal Student Counselor in Canyon for the past six and a half years, and resident hostess of the Episcopal Little House of Fellowship, has resigned her position, to return to her former literary work.

The entire educational program of the Episcopal Missionary District of North Texas will be reorganized with the beginning of the year, with Miss Helen Lyles, of Stamford, Texas, as general secretary. Miss Lyles has been in training for this work, at the University of Texas, the University of California, and at St. Margaret's House, an Episcopal training school for religious workers, at Berkeley, Calif., for the past four years. Miss Lyles will make the Little House of Fellowship in Canyon, her headquarters.

Mrs. Page will remain in Canyon until the Christmas holidays, and the service of the Little House of Fellowship to college students will proceed as usual. Mrs. Page will welcome all old and new students and friends, at any time she can be of service.

J. Everts Haley of Austin was here the first of the week. He is a member of the Texas University faculty, and formerly secretary of the Panhandle-Plains Historical Society.

Edd Little, owner of the Little Motor Company, has been confined to his home the past two weeks on account of illness.

#### Palo Duro Peeps

The Palo Duro school will entertain the community with a program of Halloween night. Everyone is invited to attend.

Mr. and Mrs. Henry Gerdsen returned to De Valle, Tex., last Saturday after a week's visit with his sister, Mrs. Herman Kuhlman.

Dinner guests in the Henry Miller home, Sunday were Wm. Schroeder of Waterloo, Iowa, Mr. and Mrs. Carl Schroeder and sons, L. D. Hickox and Mrs. E. Prichard.

Clark McClendons were callers in the Herman Kuhlman home Friday.

Mr. and Mrs. Raymond Campbell are visiting relatives in Oklahoma.

Mrs. Raymond Tucek, Mrs. Gus Leseberg and Miss Dora Miller attended the meeting of the 4-H girls of the Johnson community Monday.

Mrs. Fred Schuette, Mrs. Pauline Wendelken, Mrs. G. H. Leseberg, Mrs. Raymond Tucek and Mrs. Gus Leseberg visited with Mrs. Herman Kuhlman, Tuesday afternoon.

Mrs. Clem Dugan had her tonsils removed last Saturday. Everyone wishes her fast recovery.

The young folks of the Lutheran church organized a Young People's Society last Sunday.

Rev. H. Fierking of Amarillo called on a number of the Lutheran church members of this community Tuesday afternoon.

Young People's Society, 7 p. m. Evening Church Service 8 p. m.

At the evening service the pastor will tell about his visits to some of the great city churches of the East while he was in school and the observations which came to him.

The Young People's Society enjoyed a weiner roast at the Canyon Country Club last Monday night. About twenty-five young people were present. Interest and enthusiasm is being manifested in the Sunday evening meetings of the Society.

D. A. Shirley returned yesterday from Dallas where he attended the annual meeting of the Texas Chapter of the American Association of Collegiate Registrars. While there he visited his daughter, Miss Louise Shirley at T. C. U.

#### 'Platinum Blond' Bush Blossoms

Every year at this time the pampas bush of the western deserts bursts into bloom, and the gentle waving of its great silvery blossoms provides one of California's most beautiful sights. A Viennese beauty, Helene Ilona von Denge, above, studies the gorgeous plant at close range.

You can't have a good time and keep it too.

#### Lyceum Schedule Will Bring Several Artists To W. T.

W. T.'s lyceum schedule for the current year brings to Canyon some of the nation's favorite personalities, according to Wallace R. Clark, chairman of the lyceum committee. The exact date for all the numbers has not been definitely set.

Homecoming day the committee has secured the services of General Hugh S. Johnson. His address will be the high-point of the day.

Miss Cornelia Otis Skinner, dramatic reader, will appear in the early part of December. She is the daughter of Otis Skinner, one of America's foremost histrionic artists. Miss Skinner has had a wealth of experience on the stage, and her performance will be of much interest.

In February, a celebrated philosopher, author and lecturer will appear in the person of Dr. John Erskine, president of the Juilliard Foundation of Music. Dr. Erskine will also be remembered as the author of "The Private Life of Helen of Troy."

In April, the committee presents the well-known dance group of Frazer James with an accompanying concert pianist.

Mrs. C. H. Jarrett will leave today for a visit with friends and relatives at Fort Worth and Houston.

Ed Harris and two children of Forrest, New Mexico spent a few hours in Canyon Tuesday.

Miss Columbia Redfearn, Mrs. Bertha Matlock and Q. C. Redfearn were in Lubbock Sunday.

R. H. Wright left Tuesday for Mineral Wells where he will spend several weeks on a vacation.

Every now and then you hear a man lying about how truthful he is.

Mrs. Earl Robbins, Miss Ann Smith and Mrs. L. M. Cousins visited in Clarendon Sunday afternoon. Miss Ruth Smith and Ray Robbins are teaching in the Clarendon schools this year.

Mr. and Mrs. N. E. McIntire spent Sunday in Hereford visiting with relatives.

## SIT IN PEACE, IF YOUR ENGINE OUT THERE

*stays oiled*

When your car's in cold storage at the curb this winter, don't have misgivings. Simply do what no oiling system can do by itself . . . make your engine stay oiled at a standstill, by changing to Conoco Germ Processed Oil.

Then when the thermometer slides, so will every part of your engine. You can come out calmly, as late as you like, to an engine that's oiled IN ADVANCE—clear to the top—before you've touched door-latch or starter. No more cruel, scraping starts, without half enough lubrication. And right there, you know, is where engineers lay more than half the blame for worn-out motors.

But the Conoco Germ Process . . . patented . . . spares you all that. How? By giving this oil the startling power

to COMBINE with metal. That's what gives you the famous Hidden Quart, which won't drain down. It's up there for starting, and then while you're running it backs up the high-durability Germ Processed Oil film.

You may have one of the newest cars—with their copper-lead, high-lead, or cadmium-alloy bearings. Or you may have an older model—with babbit bearings. But you can be sure that any bearing—or any other moving part—is safer with Germ Processed Oil.

This season don't merely change your oil . . . change your car's whole future . . . all for the better. Get to your helpful Conoco man before Sunday comes. Continental Oil Company, Established 1875.

## THE EAGLE'S TALE

HELP BEAT THOSE  
HAPPY COWBOYSCactus  
Cal

Well folks, I've decided to tell you about Mr. Fox this week, and I don't know how to use his language. It's atoms and molecules in chemistry, bugs and butterflies in biology, in general science it's electricity and everything else, and then in algebra it's "x's" and "y's." He works with these classes all day, then for leisure time he has charge of the library fees, the bookroom, and selling books. He is the sponsor for the boys' pep squad and the radio club, and when he gets time to be at home at night he spends his time with KGNB, WFAA, NBC, and so on into the night.

It's a lotta fun to hang around the school to hear and see funny things. One of the freshmen come by the bulletin board Friday and saw where they had changed their minds about assembly, so he said, "Well, and one of them dignified seniors replied, 'mighty deep for such a shallow mind.' Sewel and Pat came to school the other morning and Sewel came trotting up the front steps through that bunch of gals with a bouquet of flowers, while Pat went around to the back door with a load of boards. Red Watkins and Sis Overton was passing a bunch of black halloween cats out to the boys a trying to get them excited Friday. I wonder why all the gals says 'What do you think?' when Tubbs Lisle asks them anything. I heard the kids talking about Mr. Brown and one of them lady members of the grade school faculty going to Dimmitt and wondering how people change black to brown. That there Mr. Stephenson played 18 holes of golf Saturday morning, six sets of tennis Saturday evening, then played ping pong until midnight.

The Eagles shore had a tough game with Tulla. That double passing stunt sorta had them puzzled, but I had my money bet on them til the last, and I still got it bet on them. It was the second time Tulla beat us in a long time, but Happy usta beat us once in a while; however, if they beat us this time, it'll be the hardest fought game of the season.

ONE OPPORTUNITY GONE  
Do you know what happened last Monday? We began facing the opening of a new six weeks, students. Did you realize that one sixth of this new school year had fled swiftly by, and that we are six weeks older than we were when school opened? How much have you grown and developed?

How have you spent the last six weeks—in learning, or have you been letting the days fly past you, saying, "I will let tomorrow take care of itself the best way possible?"

For the seniors, it means that you have only five more six-weeks left to accomplish the "royal road to learning" in Canyon High School. It should mean to every student in Canyon High School, a happy, eventful, and useful six weeks period that has sailed on into the golden past.

Compare it with the first six weeks of last year and see if another year in Canyon High School has meant you are putting more into life and getting more out of life than you were a year ago.

WHAT! NO WORTHWHILE NOON ENTERTAINMENT?

What do we do with the noon hour? Nothing, but gossip, stay in the rooms and study, or go to the auditorium and make more noise than we actually sing.

Programs, Side Shows,  
And Stunts Features  
Of Hallowe'en Carnival

"All attractions of Midway will be here in side shows, stunts, dramatic performances, candy, ice cream, and hamburgers, when the Halloween Carnival comes to school at 7:30 o'clock, Oct. 28.

Stunts of all kinds will be presented by different clubs of the town; namely, Young Women's Book Club, Senior Woman's Book Club, The Farm Boys, The American Legion Auxiliary, The Rotary Club and The Ex-Eagles Association. The admission fee will be 10c to all. A prize of \$3.00 will be offered to the one giving the best stunt, each club taking 10 minutes.

Primary Grade to Give First Part of Program

The first four primary grades will present a program from 7:30 to 8:30 o'clock in the high school auditorium. Admission of 5c will be charged.

Side shows will be given by the fifth, sixth, and seventh grades, and all high school classes, and clubs. A \$3.00 prize will be given to the booth making the most money. Each booth will charge 5c.

No initial entrance fee will be charged, and no fee exceeding 10c will be charged for any one feature of the Carnival. The American Legion, which established its hamburger fame last year, will sell hamburgers, candy, ice cream, and pie will be sold.

NYA Work Given To C. H. S. Studies

In order to keep students in school the National Youth Association has provided money for work done by high school students.

They have limited Canyon High School to seven helpers. Each student working will work 20 hours a month and receive \$6.

The boys that have been chosen to date are Ralph Rusk, Darwin Dobbs, C. L. Drummond, Herbert Mariner, Billy Bewley, and R. E. Furlow. C. L. will work in Mr. I. B. Carruth's office. R. E. will continue his work in the athletic department, while the other boys will do odd jobs around the school building.

School Introduces New Report Cards

A new report card has been selected for Canyon High School for the coming year.

At the end of the year the card will have a complete record of the student's work, days absent, periods absent, and times tardy.

Every six weeks the card is to be signed by the parent and returned to the principal's office.

On the reverse side of the card is a "Rating Scale for School Habits." Remarks are made about the student's attention, neatness, interest, initiative, persistence, reliability, and then a place for general remarks from the teachers.

The number of units of credit the student has is also placed on the card.

The first issue of the cards was made yesterday.

KIKER BUILDS WORK BENCH  
Mr. Milton Kiker, janitor of the Canyon High School, has just completed a carpenter's bench for the grade school's work shop.

It is completely equipped with drawer space for tools and other work material. It is to be used by any grade school class in construction work in the unit which the class is studying.

The bench is 38 inches wide, 73 inches long and 29 inches high.

Miss Jewel Foster, teacher of Spanish, spent the week-end at her home in Hale Center.

the auditorium and this would be a good thing, if—there had someone to help them out so they could learn the new songs, and above all they would not just idly spend the hour "cutting up."

The boys do nothing but play "Bombay," or stand around and talk.

The radio could be placed in the auditorium and worthwhile programs could be listened to. Outside baseball could be played by both boys and girls. Volleyball has in other years proved itself popular with the student body, so why not play volleyball.

We have "The New York Times" and other valuable papers in school. Students might take advantage of these during the noon hour if they could be made accessible. There are many other things to be done during a noon period, so all the student body resolve to have a worthwhile noon period for the rest of the school.

Eagles Lose To  
Hornets In First  
Conference Game

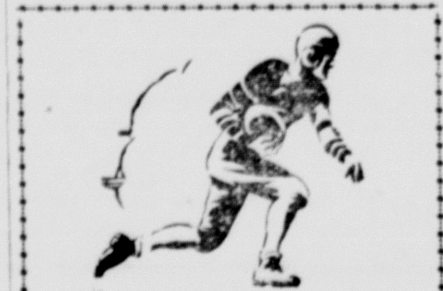

In the first conference game of the season the Canyon Eagles fell before the Tulla Hornets in a 6 to 0 defeat at Tulla last Friday afternoon.

The Hornets' tally came in the first quarter on an aerial attack, but they failed to score the extra point.

The Eagles bested the Hornets in penetrations, going to the nine-yard line twice, in first downs and yards, but they were unsuccessful with their passes.

The pep squad formed a C going down domino style, and a T for Tulla.

Tulla then had a band parade around the field, and the pep squad formed a C and T leaving purple and maroon flowers respectively on the field.

GRIDIRON GOSSIP

The football players at the high school must be studying too hard. They don't seem to be able to think football. The first six weeks is over now, and the players won't have to miss practice any to make up assignments that were not prepared on time.

The Eagles did better in the last half of the Tulla game, but they couldn't get the drive to make a touchdown.

Coach Jones has some new ideas in order to make the boys have more spirit and drive. Ask the boys that go out for football if they work, and what they are?

Billie Bewley decided not to shave the fuz on his chin until the Eagles won a game. He has a good chance to get to shave this week-end. Douglas Brasuel tried to grow a goatee, but couldn't make a show.

The boys have decided, along with the coach, not to express their spirit with their voices, but by action in their running, blocking, and tackling.

All the boys surely were gloomy after the defeat, but someone has to lose and they were the victims. The score may be reversed in the future games.

Joe Hill, Jr. Gives  
Lecture on Byrd  
Expedition Tonight

Joe Hill, Jr., a member of the Byrd expedition, known in Canyon as Joe Boy Hill, will speak in the Canyon High School auditorium to show what Marie Byrd Land looks like.

Mr. Hill was a student in W. T. S. T. C. a short while before he mounted the high seas with Admiral Byrd. His speech will be illustrated with pictures of the explorations, and he claims that his story will freeze you with the imagination of its bitter coldness, constant dangers, unbelievable hardships, startling discoveries, and thrilling adventures.

"Neeka," the Eskimo dog that Admiral Byrd gave him, will entertain with the smart tricks that Mr. Hill taught her in the Antarctic circle.

The entertainment will start at 7:30 o'clock tonight, and admission will be 15c for high school students, and 25c for outsiders.

Faculty Members  
Attend T. S. T. A.

For the first time in the history of Canyon High School, 100% of the faculty will go to the Texas State Teachers Association which meets this year in San Antonio.

The Association meets once a year at Thanksgiving. It met at Galveston last year. The association will study production of units in curriculum building this year.

Canyon High School will be the best represented school in the Panhandle. The teachers are going in the large school bus Nov. 27 and return Dec. 1.

FURLOW AND COLE GIVE  
BARN PARTY SATURDAY

Lecy Mae Furlow and Loretta Cole entertained with a barn party at the home of Lecy Mae Furlow Saturday night.

A group of games was played in the garage that was decorated as a barn and lighted with lanterns. Other games were played in the house, and refreshments of pumpkin pie, whipped cream, and hot chocolate were served to the following: Geraldine Heath, Ruby Guthrie, Billie Bee Flesher, Anne Williams, Mavis Harden, Verline Furlow, Roy Sanderson, Sewel Cox, B. C. Carter, Joe Morris, Joe Frank, Fred Hart, Stewart Maley, and the hostesses.

GIRLS ENJOY MUSIC DURING NOON HOUR

When the weather is disagreeable, the girls of the high school have been spending the noon period in the auditorium.

Betty Ruth Solomon, Kate Donnell, Marie O'Donnell, and Deil Bagley have been the pianists. The girls have sung popular and pep songs.

The girls do not plan the programs, but just go in there for a good time.

Miss Lois Goodrich says that she hopes the Student Council can plan programs and obtain the radio for these gatherings.

Mrs. Albert Black and Mrs. D. A. Nicholas, the leaders of the two P. T. A. study clubs, were at school Oct. 16, making plans for the year's study.

Mr. Gerald Brown attended the Dimmitt and Happy football game Friday at Dimmitt.

Miss Doyle Hamilton, attending W. T. C. is teaching in Home Economics One for her practice work.

Dorothy Faye Rusk, ex-student of '30, and teacher at Spade, Texas, visited school Monday.

Tennie Dora Brooks, student here in '34, visited at the high school Monday.

Mr. R. G. Stevenson, band director, visited in Perryton last week-end.

Curtis Ellison who recently entered Wayland College, Plainview, is at home suffering from injuries received while playing football.

Miss Lenna Foster, teacher of English in the sixth and seventh grades, spent the week-end in Clovis, N. M.

Lillian Davis, ex-student, 29, who is teaching in Mobette, spent the week end with her mother in Canyon.

Bill Patton of Hereford spent Sunday afternoon with his cousins, Leslie and Hampton Lisle.

Miss Mattie Jordan, teacher of English and Latin, spent the week-end at her home in Tulla.

Mrs. T. W. Collins and Mary Collins spent the week-end in Plainview with Mrs. Collins' sister.

Seniors Reveal  
Past Memories  
For English IV

I was born in old West Texas Upon the beautiful plains And the memory of my childhood Will always remain the same.

Thus some of the senior autobiographies start out and unfold their past 15 to 19 years of growth, to their English teacher, Miss Lois Goodrich.

While talking about them in class the other day, the seniors revealed many funny instances in their lives to be put into their compositions. For instance, "I'm going to tell you about my first whipping I got in school," sang out Marjorie Wilkinson. "I'll tell about when I was small and set the house on fire," said Hal Gamble, gaily. Billy Bee Flesher said, "When I ran off at the age of three and imitated a traveling salesman would be funny to tell about."

Each Student in class named a title for their life's history. Some ran: The Autobiography of the Second Cox Lad, My Autobiography by Les Lisle, Here the World Began for Me, The Insignificant Story of Little Me, and Mrs. Cox's Baby Boy.

Tulla Pep Squad  
Entertains Eagles

An entertainment was given to the Canyon High School pep squad and football boys by the Tulla pep squad last Friday at Tulla.

Each Canyon girl and boy was escorted to the Tulla gymnasium by a member of the Tulla pep squad. The business manager of the Tulla pep squad, Betty Curry, took charge and introduced their president, Opal Carway, and their pep leaders, Katherine Daniels, Martha Jordan, and Mary Handcock. Mrs. Lee Foster, of Canyon, introduced the Canyon president, Fay Plaster, and the Canyon pep leaders, Mary Ella Davis, and Marie O'Donnell.

The Sub-Deb Club of Tulla gave a short program and a group of piano selections. A plate lunch was served.

MOTHER SINGERS HOLD FIRST MEETING OCT. 16

Mother Singers of Canyon met last Wednesday in the high school auditorium under the direction of Mrs. H. A. Brown, with Mrs. John B. Pope, as pianist.

New books have been bought for this year's work.

A campaign is being started this week for new members. To be a member one must be willing to work and have the ability to sing and come regularly to the meetings. The next meeting will be in the high school auditorium next Wednesday morning at 9:30 o'clock.

STELLA MURRELL GOES TO BEDSIDE OF HER MOTHER

Mrs. Stella Murrell, teacher of the second grade class in the grade school, received a message Monday that her mother, Mrs. Winstead, who lives in Martin, Tenn., was at the point of death. Mrs. Murrell and her daughter, Ethelene, who is teaching at Pampa, and who taught in the Canyon High School three years ago, left immediately to be at her bedside.

Mrs. Tom Brasher is teaching in Mrs. Murrell's place. No word has yet been received telling how Mrs. Winstead is.

Mrs. Winstead will be remembered by friends that she knew while she lived in Canyon.

The Grade School faculty met last Monday afternoon with Principal Elva Fronabarger in charge. Last minute plans for the P. T. A. Carnival were discussed. The teachers also decided to go to the Texas State Teachers Association in San Antonio, Nov. 28 to 30.

"Davy Crockett at the Fall of the Alamo," a moving picture show, will be given Monday afternoon at 2 o'clock in the Grade School study hall. Admission will be 5c for all.

Miss Gwendolyn Black, teacher of music in the grade school, is preparing the primary grades for their program in the P. T. A. Carnival.

Elected Book Club  
President, Tuesday

Sarah Bonnie Bourn, senior, was elected president of the Book Club in its first meeting last Tuesday. The club which has been known as Library Club changed its name to Book Club.

Other officers were elected. Lecy Mae Furlow, a senior, vice president, is also chairman of the program committee. Mary Charlotte Word, sophomore, was elected secretary-treasurer.

Purposes of Book Club Are Discussed

"The Book Club composed of librarians and others interested in literature are looking forward to an interesting year. A wider acquaintance and knowledge of books and their authors is expected for each member than he could gain without the club work. No type of reading will be neglected; some plays, probably acted out, novels, travel, poetry, and other kinds. A better knowledge of the use of libraries and the care of books is the expected result. Enthusiasm for reading is contagious and an epidemic is hoped for," said Miss Jordan, head of the library department and sponsor of the club.

Anyone interested in joining the Book Club may do so by seeing Miss Mattie Jordan.

Seniors Lead In Honor Roll For First Six Weeks

With 10 members out of a total of 24 making the honor roll, the senior class led the school for the first six weeks, it was announced Monday night.

Beside the 10 seniors there were six juniors, six sophomores, and two freshmen; or a little more than one third of the seniors, one eighth of the juniors, one seventh of the sophomores, and one fifteenth of the freshmen.

Out of the total on the honor roll, 42% were seniors, although the senior class is the smallest class in high school.

Those on the honor roll are as follows:

4 A's: Lillian Chambers, Marielle Oldham, John B. Pope, Sarah Thompson.

3 A's, 1 B: C. L. Drummond, Billie Bee Flesher, Sherman Higdon, Marjorie Wilkinson, Mary Charlotte Word.

2 A's, 2 B's: Mary Ella Davis, Martha Jo Newlin.

2 A's, 1 B: Sarah Bonnie Bourn, Ruby Guthrie.

1 A, 3 B's: Loretta Cole, Beulah Brasuel, Hazel Sanders.

2 A's, 3 B's: Fay Plaster.

4 B's: Gerald Dean Heath, Overton Donnell, Natalie Flesher, Annie May Spenser, Estelle Vanarsdall.

Pep Squad Boasts  
Outstanding Club

Is the pep squad one of the largest and best organizations in high school? Yes, from the size of it during the last three years, one can see that it is a large and popular organization.

In the year 1933-34 there were 64 members of the pep squad, there being 16 white peps and 48 purple peps. That year the White Pep Squad was first organized. In the year 1934-35 there were 62 members of the pep squad, 14 white peps and 58 purple peps. This year there are 46 in the Pep Squad, which is made up of 36 purple peps and 10 white peps.

The pep squad president, Fay Plaster, says, "Although our pep squad is somewhat smaller this year, I feel that we are accomplishing as much as the pep squads of the past two years."

HISTORY MAPS RECEIVED  
A chart of American history maps was received last Saturday. The maps were made by the A. J. Nystrom and Company in Chicago. They deal with development of America with European background and beginnings. Mr. C. C. Jones, teacher of American history, said the maps would be of great benefit to the American history classes.

Gerald Brown, teacher of History in the sixth and seventh grades, and also coach of the Grade School boys' baseball team, will take the team to the training school where they will play the training school baseball team of the College at 2:30 Saturday.

BEAT HAPPY!

Smarting from a 6 to 0 defeat from the Tulla Hornets last week, the Canyon Eagles will invade the Happy Cowboys gridiron Friday afternoon for the second conference game of the season.

The "dope bucket," which is about as correct as Old Tack's weather predictions, proves the Eagles superior in both weight and scores.

The Cowboys have played six games this season, winning three of them, while the Eagles have won one out of five games.

DOPE:  
The Dumas Demons defeated the Cowboys 13 to 7, while the Perriton Rangers downed Dumas 21 to 0, and the Eagles 13 to 0; thus, on paper the Eagles are 14 points superior to the Cowboys.

Groom defeated the Eagles 25 to 0, and White Deer swamped the Cowboys 38 to 0. According to this method of figuring, the Eagles are 22 points to the good of the Cowboys.

## BUFFALOES DEFEAT COWBOYS BY SCORE OF 34-0 FRIDAY

### Sophomores Help Repel Invaders Before Large Crowd

A blood thirsty bunch of Buffaloes tore into the Cowboys of New Mexico Normal University with the ferociousness of a Bengal Tiger Friday night, and ran in every direction to stack up 16 first downs and a lop-sided 34 to 0 victory.

Paced by a group of speedy backs that put one in mind of the "Gallop of Ghost" in the hey-day of his stormy career, the Buffaloes piled up gain after gain and gave the student body of W. T. an example of how the game should be played.

About fifteen of the first-year men got in the game. Some shining lights appeared in the backfield for the first time, and gave

warning that W. T. will have some ace ball carriers next year.

The Cowboys were a blank. Their defense was good at times, but when the money was on the table they failed to come across. McDowell was the outstanding man for the Cowboys. The Buffaloes' offense was so impressive that they never punted during the entire game.

The Buffs opened the scoring after Lemon was forced to punt. The Buffs took the ball on their own 48 yard line and with Davis, Murry, and Johnson carrying the ball marched to the 16 yard line. A pass from Murry to Davis was good for the touchdown. Slack kicked the goal.

The next touchdown came after Ronald Davis ran to the Cowboys' own 16 yard line. At this time, Gibson, another sophomore who was making his debut as a Buffalo ball carrier, went into the game and immediately hit his own right tackle for another touchdown.

H. D. Stewart, early in the second quarter raced around his own right end, after Murry had put it on the forty yard stripe for 38 yards. On the next play he hit the center of the line for the marker. The goal was kicked.

Some good runs by Murry and Davis put the ball on the Cowboys' own 23 yard line, and Champion passed to Cain for another

touchdown. The try for goal was missed.

The last touchdown was made after Gibson, Murry, Slack, Van Noy and Dow plowed to their opponents own 12 yard strip. Dow hit center hard for the touchdown, and kicked goal.

In the last quarter the Buffaloes opened up with a series of laterals and reverses that placed the ball deep into the enemy territory, but a fumble ended the threat, and the game ended with the ball in possession of the Buffaloes, on their own 42 yard line.

### Walker Returns From Conference In New York

Miss Darthula Walker has just returned from a week's trip to New York for the New York Herald-Tribune's Fifth Annual Forum on Current Problems. She was one of the limited number invited from the Texas Division of the Association of University Women.

During the past five years this Forum has become one of the most important annual meetings in the country for the discussion of world problems. The theme of the Forum was "America's Place in the World Today—Her Responsibilities and the Threats Against Her National Life."

Distinguished men and women discussed some of the dramatic happenings of the last twelve months. Recent radical changes in education and the arts was featured at some of the sessions.

Miss Walker left Monday, Oct. 14, and returned to Canyon yesterday. She took a plane from Amarillo at sunrise and at sundown landed in Newark, across the river from New York. For variety she returned by bus, which took her three days and nights. She stayed at the Waldorf-Astoria.

Speakers on the program were authorities from all walks of life. The President of the United States sent a message from his ship by radio to the meeting.

Although Miss Walker has been on world tours, this was her first time for a long plane ride or bus ride. The plane was a TWA twin motored Douglas liner. She described the plane ride as the most interesting that she has ever taken. Only seven stops were made between Amarillo and New York.

Talks were made by such notables as Mrs. Franklin Roosevelt, newspaper men, motion picture actresses and directors, world travelers and foreign diplomats. Miss Walker was also honored by being seated on the stage during the programs. All programs were held in the Grand Ballroom of the Waldorf-Astoria.

### Spanish Teachers' Conference Meets Here Saturday

Plans have been completed for the Spanish Teachers' Conference which will meet here Saturday.

Miss Mary E. Hudspeth, head of the modern language department, and Miss Agnes Charlton, associate professor, are in charge of the Llano Estacado chapter of the American Association of Teachers of Spanish. All teachers of Spanish in colleges and high schools of the North and South Plains are included in this chapter.

The conference begins at 4:30 o'clock Saturday afternoon. Besides a program of speakers, officers for the coming year will be elected. Following this session, refreshments will be served in the Home Economics dining room in the Administration building.

Miss Hudspeth has extended an invitation to all high school and college teachers of Spanish in this region to attend the conference. Representatives from northwest Texas and eastern New Mexico are expected.

### Ralph News

There were fifty-four present at Sunday School Sunday morning, a gain of six people over last Sunday's report. A banner will be given each Sunday to the class having the most new members and the best lesson prepared. We want everybody out for Sunday School next Sunday at ten o'clock.

Mr. and Mrs. E. C. Hawes and Mr. Roffey of Canyon were dinner guest Sunday in the W. A. Cates home.

W. C. Hill spent Saturday night in the S. H. Hill home.

Mrs. C. E. Noble of Dimmitt spent last week with her daughter, Mrs. Kenneth Burum. Also Mr. Nobles visited Sunday with Mr. and Mrs. Kenneth Burum and baby boy.

Miss Rosa Lee Parker spent Saturday night with Miss Mary Neal.

Mrs. W. A. Cates and Myrtle shopped in Amarillo Wednesday.

The Randall County Singing Class was well attended Sunday afternoon. The Beacon Quartet of Amarillo gave several selections, also other singers were present from Tulla, Amarillo, Canyon, Sunny Hill, Jewell. The next meeting which is not a regular schedule, will be the first Sunday in November and will be held at the Tierra Blanca school house. We wish to thank Bro. Hicks of the Baptist Church of Canyon for the use of the chairs during the singing.

Ted Springer was seen in Canyon Saturday.

## BUFFS TO PLAY EL PASO MINERS FRIDAY NIGHT

Clark, Champion, Dow,  
And Van Noy Are  
Coaches' Hope

The Buffaloes, stinging from three previous defeats, will invade El Paso, Friday, Oct. 25, and take a crack at the Miners.

Coaches Al Baggett and Bob Cox of the Buffaloes will bank upon the ball-bearing hips and slippery nature of Lawrence Clark, Ezell Champion, Lwood Dow, and Frank Van Noy to throw the pigskin and romp at random against the Miners.

Frank Van Noy at 160 pounds will probably start at quarter; Lawrence Clark at 170 pounds, and Lwood Dow at 188 pounds will do most of the ball toting, with Ezell Champion at 178 doing the kicking and tending most of the plays.

The West Texas forward wall will boast such stars as Toby Waggoner, 191, at left end; John Lee, 188, at left tackle; Oscar Hinger, 172, at left guard; Leo Jackson, 190, at center. Captain John Rankin, 168, will be at right guard; Clinton Meek, 185, will play right tackle and Stina Cain, 178, will be at right end.

The Buffs will likely stay on the ground to make their touchdown threats; however, if they find the going too rough on the grass, it is likely that passes will fly from the hands of Champion, Van Noy, Davis, and Slack; with the ends and backs making stabs at the flying pellet.

In every game this year the Teachers have made a good impression via the ground way. They

have yet to face a team that has made more from the scrimmage line than they have.

### Hugh Johnson

(Continued from first page)  
enough Democrats to elect a president and that it is only when the restless minority of discontents join that party that it can succeed. He thinks that so many of the restless minorities swarmed to the Democratic party in the last election that the Administration began to think that they were the dog and the old Democratic party was the tail.

There is no hope in the Republican party of Hoover, according to Johnson, for he says that Hooverism has never recognized that our two outstanding national problems are those of agriculture and unemployment. He says that Hoover has never recognized that labor saving operations in industries confront the nation with a dangerous crisis which we have not faced and which we cannot escape.

Anybody who expects Hugh Johnson to predict that the country can be saved only through the election of a Democrat in 1936 will be disappointed. He says that citizens should pray that the Republicans will appear with a New Deal platform and an able candidate, or that the Democrats will renovate the New Deal and return to the purposes which created it.

When the West Texas State Teachers College looked around to get a man who would make the most stimulating contribution to the hundreds of Northwest Texans who would come to hear him, they chose Hugh Johnson from all the possibilities. It is expected that several thousand people will gather at Buffalo Stadium at 10:30 Nov. 2 to hear him.

### EPISCOPAL CHURCH

Rev. Warwick Aiken of Plainview, will preach and conduct the service of Evening Prayer at this church next Sunday night, Oct. 27, at eight o'clock.

Everyone interested is cordially invited to attend.

## Freshman Football Team Will Meet Portales Friday

The W. T. freshman football team will make its first home appearance against the Portales Junior College eleven on Friday night, Oct. 25, in Buffalo Stadium.

Realizing that the odds are stacked against them, the W. T. frosh will be fighting gallantly to upset the dope can, and send Dalrymple's crew screaming across the state line with a defeat.

Knowing that his team will have to be at its very best to even check the charges of the Greyhounds, Coach Teague is depending upon a well trained group of freshmen with a lot of fight to score their first victory in their second start.

The Freshman Mentor has announced that his starting backfield will be F. A. Thomas of Canyon at quarter; Blake Lyle of Childress and Lee McLourey of Jayton at halves; and Henry Brotherton of Lockney at fullback.

The probable starting line will be Dean Reddell of Tulia at left end; Lloyd Miller of Hartley left tackle; Monroe Horton, Pampa left guard; J. C. Turner of Wheeler, center; Francis Gilbreath of Muleshoe at right guard; L. O. Speer, Tulia, right tackle; and Henry Ayers, Pampa, right end.

In the Tech game the above line played outstanding ball. From end to end every man did a fine job of defensive work.

With two weeks of work since the Tech encounter, Coach Teague is expecting a harder game in the line than he saw in Lubbock.

The game will be played in Buffalo Stadium beginning at 8 o'clock. The prices of admission will be 40c for adults and 25c for children.

Officials for the game will be: R. P. Parcells, referee; Julian Masters, umpire; Gib Jackson, head linesman.

## Two Companines

(Continued from page one)  
with members of the Advisory committee.

Supt. L. J. Bryan is highly pleased that it has been definitely settled that the two companies would remain for the coming period. This means that money will be made available for projects, and that working plans will be approved which have been held up during the period of uncertainty.

189 cars visited the Park last week, bringing the total of the year to 11,186 cars. It is estimated that more than 66,000 persons have visited the park owing to the fact that no record is kept of those who walk and rode down the trails.

## AAA Discussed

(Continued from first page)  
dropped from 10 1/2 billions in 1929 to 4 1/2 billions in 1932.

Since this is a wheat growing section, Mr. Upchurch devoted much of his time in explaining the objective of the AAA program, and how it had affected every wheat growing section. "The AAA gives the farmer a chance to almost regulate his production that the tariff can be made to operate for industry. However, his tariff (the processing tax) has a limit above which it cannot go. The farmer's tariff has a ceiling which protects the consumer from anything above a fair price. Under AAA the farmer is not allowed to limit production below domestic requirements. A surplus for the world market and for the protection of the consumer is contemplated," stated Mr. Upchurch.

Mr. Upchurch stated that behind tariff walls, industry reduced output 60% and prices only 6%; while farm prices were reduced in output 6% and in price 60%.

The plan that has been devised for the farmer is not perfect, but it is being improved through experience.

\$80,000 has been distributed to the farmers of Randall county during the past two years, which

marks only the beginning of the benefits of AAA. The experience gained under AAA "is calculated to be of great value in the days to come when farm prices can be made to approach a parity with other prices and all of the agriculture communities may enjoy a prosperity that is on a par with the big industrial centers," believes Mr. Upchurch.

In connection with the wheat program, Mr. Upchurch pointed out the fact that Roger Gist of this county is a member of the national committee of twenty four, and J. P. Hix is a member of the state committee of five.

Alfred Bellah and Robert Hunt were introduced as new members of the Rotary Club.

Visitors were: C. W. Rogers and Harvey Allen of Amarillo; Harvey Cash of Canyon.

## ART EXHIBIT SHOWN IN MUSEUM BUILDING

The first art exhibit of this school year is now hanging in the Mary E. Hudspeeth Art Gallery of the Panhandle Plains Historical Society Museum. It is a reproduction of the frescoes of Diego Rivera, Mexican painter.

Rivera's murals are true frescoes in fresh earth tones, characteristic of modern Mexican art. He paints them on wet plaster just as old Italian masters did on the walls of the cathedrals and other buildings in Italy.

There are nineteen pictures in the group that illustrate Rivera's use of rich coloring and good form together with rhythm and unity.

## NOTICE

THE STATE OF TEXAS,  
TO THE SHERIFF OR ANY CONSTABLE OF RANDALL COUNTY, TEXAS, GREETING:

You are hereby commanded to serve the following order and notice by causing publication thereof to be made and for the time and in the manner therein provided:

Now on this the 14th day of October A. D. 1935 at a regular term of the Commissioners Court of Randall County, Texas, the following application and petition for re-consideration to wit:

THE STATE OF TEXAS  
COUNTY OF RANDALL  
TO THE HONORABLE COMMISSIONER'S COURT OF RANDALL COUNTY, TEXAS:

Now comes O. V. Mayben, Q. V. Conner, a widow, Grady Oldham, Levi Cole, R. A. Terrill, C. H. Jarrett, Ray Campbell and Harry Wood, who resides in Commissioned Precinct No. One of Randall County, Texas, and respectfully shows to the court, the following:

That Mrs. Q. V. Conner is the owner of that portion of Survey Number thirty three (33) in Block Number B-5, Certificate No. 15-3556 Houston and Great Northern Railroad Company Land situated in Randall County, Texas, and more

particularly described as Blocks Nos. 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, and the North half of Block 80, and a strip off the north end of Blocks A, B, C and D about 20 feet wide, that said Mayben purchased said land as acreage property and is now using same for agriculture purposes, all of said property is situated in the Conner Addition to Canyon City in Randall County, Texas.

R. L. McSpadden is the owner of that portion of Survey Number 33 Block B-5 Certificate No. 15-3556 Houston and Great Northern Railroad Land in Randall County, Texas, and more particularly described as Blocks 42, 43, 62, 63, 64, 65 and the south 640 feet of Blocks A, B, C and D that he purchased same as acreage property and is now using same as pasture land.

That on or about the 21st day of April A. D. 1910 L. G. Conner and wife Q. V. Conner caused a plat thereof to be made and recorded in Randall County, Texas, as is fully shown in Volume 21, page 363 of the Deed Records of Randall County, Texas to which reference is here made for a full description of said plat, said land covered by said plat is known as Conner Addition to Canyon City, Texas.

That all the land described above is situated in the center and North East part of said Addition. That none of the Streets and alleys in that part of said addition has ever been opened and used as highways, but as a matter of fact all of that portion of said Section 33 is now in cultivation and pasture land, and that portion now owned by Mrs. Q. V. Conner is used as a Golf Course. That your petitioners as such owners and adjacent owners, or Mortgage holders of said addition are desirous of cancelling that portion of said Map and plat embracing the Blocks described above and throwing the same back into Acreage property and closing all streets and alleys, as it existed before such subdivision into lots and Blocks, Streets and alleys was made.

That the cancellation of said map and plat and returning that portion of said Conner Addition back into acreage property will not interfere with the established rights of any person whatsoever.

Wherefore your petitioners pray the court that legal notice be given, and the court enter such orders as are necessary to cancel that portion of the Map and Plat of the Conner Addition covering Blocks Nos. 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 80, and Blocks A, B, C, and D of said Addition to Canyon City, Texas and that all intervening streets and alleys be closed, namely, Evelyn Street or 5th avenue beginning at the South West Corner of Block 14 and the North West Corner of Block 25 of said Addition thence East to the East line of said Addition; And Chestnut Street or 6th avenue beginning at the South West Corner of Block 25 and the North West Corner of Block 36 of said Conner Addition, thence East to said East line of said Addition and Pecan Street or 7th Avenue beginning at the South West Corner of Block

36 and the North East Corner of Block 47 of said Conner Addition thence East to the East line of said Addition, and Walnut Street or 8th avenue, beginning at the South West Corner of Block 47 and the North West Corner of Block 58 of said Conner Addition, thence East to the East line of said Addition; and Roper Street beginning at the South West Corner of Block 58 and the North West Corner of Block 69, thence East to the East line of said Addition; and Terra Blanca Street or 10th Avenue beginning at the South West Corner of Block 69 and the North West Corner of Block 80, thence East to the East line of said Conner Addition. And G. G. Foster Street or Avenue beginning at the North East Corner of Block 48 and the North West Corner of Block 47, thence South to the South line of said Addition, and that Hunt, Cowling, Rollins, Terrill and Eakman Avenues their entire length across the Conner Addition be killed and that the said above described Streets and Alleys and Blocks be thrown back to Acreage property as it existed before the platting of said Conner Addition was made.

This the 17th day of July A. D. 1935.

O. V. Mayben,  
Grady Oldham,  
R. A. Terrill,  
Ray Campbell,  
Mrs. Q. V. Conner,  
Levi Cole,  
C. H. Jarrett,  
Harry Wood.

On this day came on to be reconsidered the application of O. V. Mayben Seven others for the cancellation of a part of the Conner Addition to Canyon City, Texas filed herein on the 22nd day of July A. D. 1935. Upon due consideration, it is ordered by the court that said application and petition be heard and further considered and action taken thereon at the next regular term of this court, to wit: on the 11th day of November A. D. 1935 and that any person or persons interested in the lands herein described be commanded to appear at said time to protest if so desired, against the action prayed for by the petitioners. Said application and notice of such hearing and action shall be published in some newspaper published in the English language in said County, for three weeks, prior to action of said application as is provided by law and a true copy of this order containing said application as set out above, shall be published as the application for the relief prayed for and notice of the time that the court will take action upon said application; and the Clerk of this Court shall issue legal notice of such hearing.

Herein fail not, but have you before this court this notice on the 11th day of November A. D. 1935 with your return thereon showing how you have executed the same. Give under my hand and Seal of said court this the 22nd day of October A. D. 1935.

A. B. HOLT, Clerk,  
of the Commissioners Court  
of Randall County, Texas.  
A True Copy, I certify.

## CLASSIFIED ADVERTISING

Classified rates are two cents per word for the first insertion, and one cent per word for each subsequent insertion. This rate applies to all legal notices.

All classified advertisements must be paid in advance unless arrangements are made in person to care for the payment of them. Classified ads received through the mail will not be published unless accompanied by the cost of insertion.

Word ads intelligently do not try to save a few cents by leaving out necessary words; tell who, what, where, and, if so essential, when and why.
